

STAR SERVICES

Roadfreight Europe

Our Star Services offer more flexibility and planning dependability for your especially urgent or fix time-phased general cargo:

- Delivery on first day possible
- Delivery on a fix day
- Delivery at a fix time

Star Priority

Your general cargo consignment will be delivered mandatory on the first day possible according to firmly defined transit times.

Star Priority 8, 10 and 12

In selected postcode areas your general cargo consignment will be delivered mandatory on the first day possible by 8.00 am at the latest (Star Priority 8), by 10.00 am at the latest (Star Priority 10) or by 12.00 am at the latest (Star Priority 12).

Star Date

Your general cargo consignment will be delivered mandatory on a working day given by you.*

Star Date 8, 10 and 12

In selected postcode areas your general cargo consignment will be delivered mandatory on a working day given by you by 8.00 am at the latest (Star Date 8), by 10.00 am at the latest (Star Date 10) or by 12.00 am at the latest (Star Date 12).*

*In case the Star Date services coincide with a Star Priority service, the terms and conditions of Star Priority service shall apply. Star Date services can chronologically not be earlier than Star Priority service.

Shipments must always be announced and dates must be coordinated prior to delivery.
